CIC NETWORK

A global platform to strengthen the network of existing Climate Innovation Centers (CICs) and create linkages among cleantech entrepreneurs, incubators, accelerators, investors, and other players to advance clean technology innovation and transfer across the world through virtual tools and in-person training, sharing of experience and best practices, and building a community.

CIC Network Priority Actions

Partnerships

- Strategic partnerships (US Department of Energy, 1776, IC2, LA Clean Tech Incubator, WIPO, CTCN, and more)
- Co-organized events (ARPA-E Innovation Summit, Casablanca, Nairobi and Pretoria Challenge Cups, and more)

Operations – Good Practices

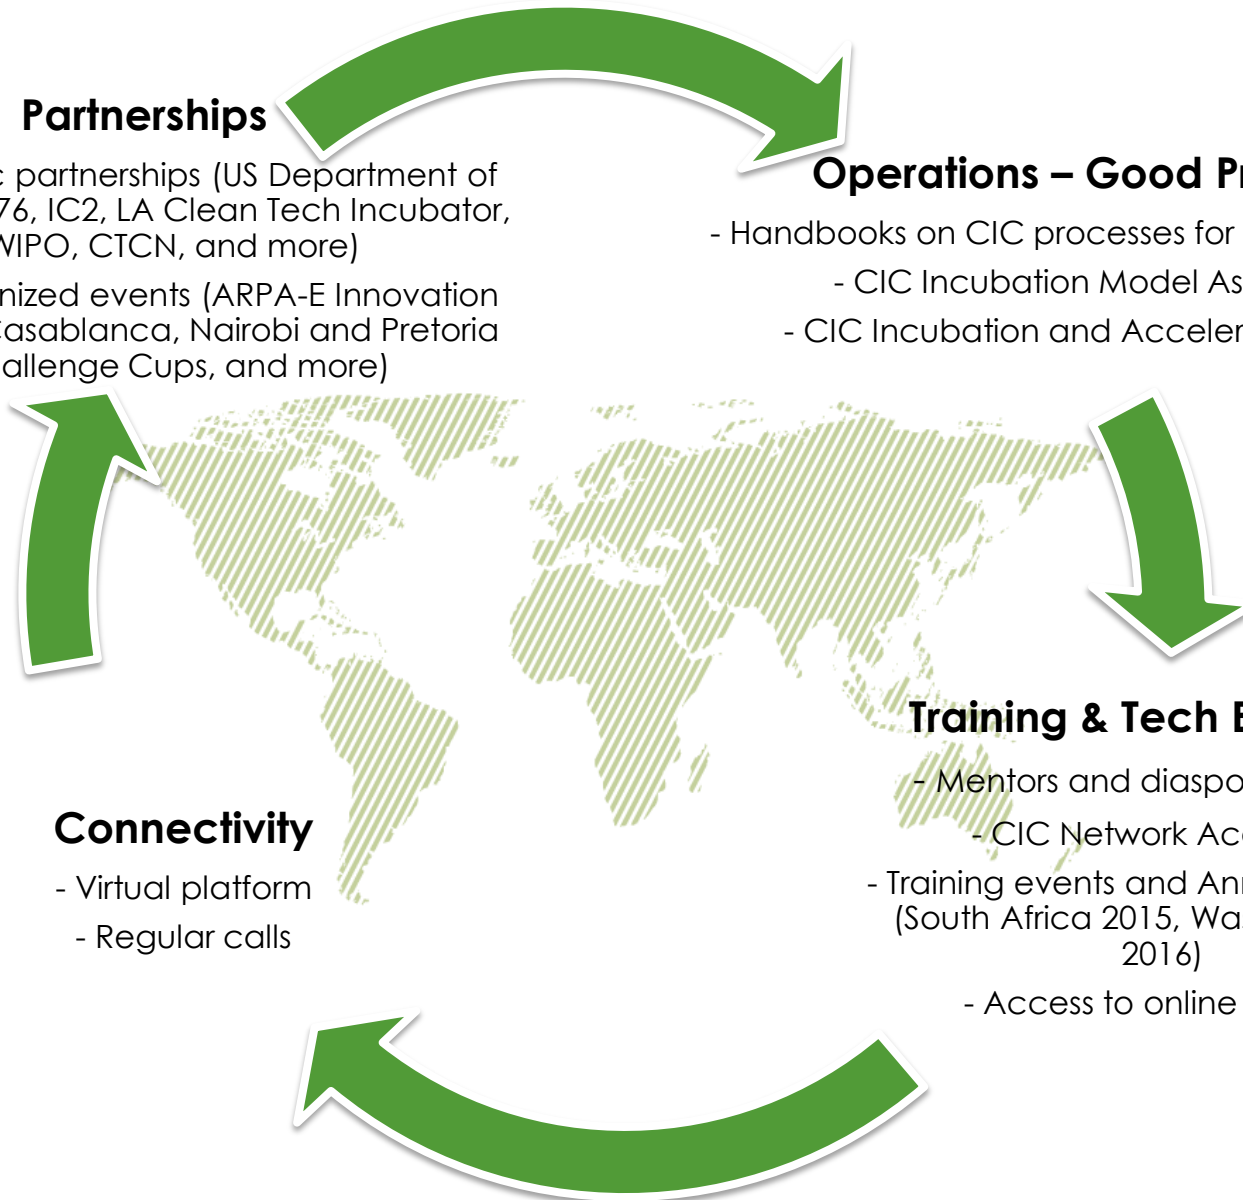

- Handbooks on CIC processes for WB and CIC staff
 - CIC Incubation Model Assessment
 - CIC Incubation and Acceleration Model

Training & Tech Expertise

- Mentors and diaspora linkages
- CIC Network Academy
- Training events and Annual Meetings (South Africa 2015, Washington DC 2016)
- Access to online training

Connectivity

- Virtual platform
- Regular calls
