

## SPEAKERS

### **Amanda J. Van den Dool**

USAID Regional Development Mission for Asia

Ms. Van den Dool is the Energy and Infrastructure Team Lead at USAID/RDMA. She joined USAID/RDMA from the USAID/Power Africa Coordinator's office, in South Africa. During her tenure with Power Africa, Amanda has managed projects focused on cross-border trade and transmission, and led coordination work with bilateral and multilateral development partners. In 2010, she was selected to represent the U.S. Government as a Mansfield Fellow, working and living in Japan after the 2011 Tohoku earthquake and tsunami. Amanda holds a bachelor's degree with honors in Urban and Regional Planning from the University of Illinois at Urbana-Champaign and a master's degree in Urban Planning and Policy from the University of Illinois at Chicago.

### **Corinne Hart**

Senior Gender Advisor for Energy and Environment, USAID

Corinne provides technical leadership and assistance on gender equality and women's empowerment in a range of environmental sectors, including USAID's work on energy, infrastructure, biodiversity, forestry, fisheries, land tenure, urbanization, and climate change. Corinne also leads several Agency initiatives, including Engendering Utilities, the Self-Empowerment and Equity (SEE) Change Initiative, and Advancing Gender in the Environment (AGENT). Before joining USAID, Corinne served as the Director of Gender and Humanitarian Programs at the Global Alliance for Clean Cookstoves, an initiative of the United Nations Foundation. She has more than 15 years of experience globally in project and grant management, strategic planning, and capacity building.

### **Khan Ram-Indra**

Chief of Party, USAID's Enhancing Equality in Energy for SE Asia program

Khan Ram-Indra joined CORE International as the Chief of Party for USAID's Enhancing Equality in Energy for SE Asia (E4SEA) activity where he leads the program and is responsible for managing and overseeing all activities in Southeast Asia to identify challenges for gender equality in the energy sector in the region and implement solutions to overcome them. Previously, he served as the Director, Asia Region, for The Rockefeller Foundation and Country Representative, Thailand, for the Global Green Growth Institute. Prior to that, he served at USAID Regional Development Mission for Asia as a Program Development Specialist (Clean Energy Specialist). He holds a Master of Business Administration (MBA) degree from the University of Twente, The Netherlands, a Master of Science (M.Sc.) degree in Environmental and Natural Resource Economics from the Chulalongkorn University, Thailand, and a Bachelor of Arts (BA) degree in Economics, also from Chulalongkorn University.

### **Jasmine Boehm (Tetra Tech)**

Lead Change Management Coach Engendering Utilities & Senior Change Management Advisor E4SEA

Jasmine is a change management expert with 20 years of experience in Diversity & Inclusion, Gender Equality & Women's Empowerment, Sustainability and Social Innovation. For Engendering Utilities she acts as the Lead Change Management Coach overseeing all coaching activities and also coaches some of our utility partners in Latin America, Asia, Africa and the Middle East. Previously she served as a manager for different organizations, amongst others as Corporate Sustainability Manager in the oil and gas sector responsible for sustainability strategy development and implementation in 20 countries worldwide. She has also worked with numerous clients in the industry sector such as Shell, Microsoft and Siemens and public sector entities and international organizations in Europe, Asia, Africa and the Middle East.

**Aneta Petrovska-Rusomaroski**

Head of the Human Resources and Organization EVN Macedonia

Aneta is the Head of the Human Resources and Organization Department at EVN Macedonia and responsible for the Engendering Utilities Program from its beginning in 2015. She has been working for EVN since 2006; her previous positions included National Compliance Officer and Head of Internal Audit Function. She is a Member of the State Economic and Social Council (tripartite Body with Members by Government, Trade Union and Employers) as well as of Multi-Stakeholder National Group for Equal Opportunities for Man and Women established by the Government. On a state level, she holds several other positions including Secretary of the Energy Association and Management Board Member at the Macedonian Employers Association.
