

UNIVERSITY OF SCIENCE AND TECHNOLOGY OF SOUTHERN PHILIPPINES

Role of the Academic Sector and STEM Education in Inclusive Energy Sector Transition

Alubijid | Cagayan de Oro | Claveria | Jasaan | Oroquieta | Panaon

DR. MARIA TERESA M. FAJARDO

Director, Extension and Community Relations and GAD Focal Point Person

- Role of universities in creating a pipeline of qualified women and persons of all gender to enter and prosper in the transitioning energy sector
- Role of stronger partnerships between educational institutions and energy enterprises
- Value added from mobilizing alumni associations to advance the agenda and create opportunities

- CMO 1 Series 2015
- The implemented Commission on Higher Education (CHED) Memorandum No. 1, s. 2015 required State Universities and Colleges (SUCs) and Private Higher Education Institutions (HEIs) to contribute to women's empowerment and gender equality through the 4 core functions of instruction, research, extension, and production

Role of universities in creating a pipeline of qualified women and persons of all gender to enter and prosper in the transitioning energy sector

Top Performing Engineering Schools in Region X

TOP 4 ENGINEERING SCHOOLS IN MINDANAO

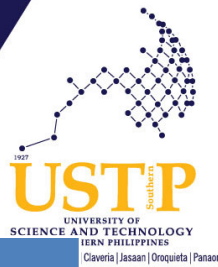

Role of stronger partnerships between educational institutions and energy enterprises

- **Scholarships**

- National Grid and Power Corporation – 4 Female Civil Engineering and 4 Female Electrical Engineering while 2 male CE and 2 male EE
- Cagayan Electric Power and Light Company (CEPALCO) 2 Male BS Electrical Engineering Students

Internship Program (2018-2023)

Industry Partner	College Program	No. of Male	No. of Female Interns
Cagayan Electric Power and Light Company, Inc. (CEPALCO)	CEA and COT	7	10
Carboncycle Processing Inc.	CEA, COT, and CSM	5	2
Ulric Solar Power Enterprises Corporation	CEA and COT		
Greenergy Development Corp.	USTP System: CEA, CSM, CITC, and COT		

Value added from mobilizing alumni associations to advance the agenda and create opportunities

“ We don't just aspire to succeed, we inspire others to do the same, to be fearless, to stand tall amidst adversity, and to shatter the glass ceilings that once confined us.

“ With a sea of men surrounding you, don't ever shut your idea down just because you're a woman.

HAPPY
Women's
MONTH

Dr. Jocelyn B. Barbosa
*Vice Chancellor for Academic Affairs,
USTP CDO CAMPUS*

“ Your future is created by what you do today, so in everything you do, do it right, because the outcome affects your future.

HAPPY
Women's
MONTH

Dr. Lory Liza D. Bulay-og
*Campus Director, USTP Alubijid Campus
Dean, College of Engineering and Architecture,
USTP CDO Campus*

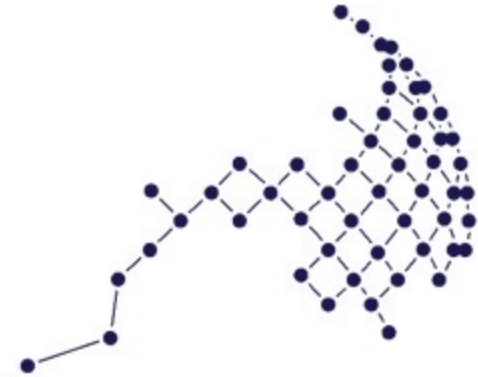

Do not adhere to the limitations that the world set up. Women, We are more than just a woman. We can do so much more. So please do not limit yourself. Please continue to believe in yourself in what you can do and the technological advancements that you can contribute. Be curious and always hone your skills and then you will succeed in any field of STEM you choose to be.

ENGR. DANICA G. TACBAS

Bachelor of Science in Electronics Engineering Batch 2016
Technical Service Technician, STEAG State Power, Inc
